DIRECTOR'S CORNER

As the 2006-07 school year comes to an end, I would like to take time to publicly thank some people who have contributed so much to our school this year. Of course there are many parents and staff contributing to the school community—too many to name here, but a few individual's contributions stand out. These individuals have stepped up in leadership roles and taken on significant responsibility.

Andrea Williford, Jessica Rice, Karen Majors, Amanda and David Meyers, Johnny McGuire, Valerie Newcomb, Tracy Dixon, Sam Farrow, Patty Akiyama, Lorraine Stern, Suki Wessling, Linda Martin, Mary Hsia Coran, Mari McGuire and Shelley Oxen.

Thanks you so much for your support of our students!

Speaking of students...there are also students who have contributed to our school in a very positive way. They have taken leadership among their peers to help create a respectful, responsive, responsible and resourceful atmosphere. I would like to give a special thanks to Michelle Diaz-Garza for all her help this year. Michelle is graduating and we will really miss her around here. Although she will be attending WHS, she will still work in our office next year to gain her required community hours. Also thanks to Cristina Fernandez for her thoughtfulness during teacher appreciation week. Finally, thanks to Aurora Gress for her generous spirit.

Linscott is a special place with special people. I'm grateful to you all for creating a supportive and caring environment for students to live and learn. Have a great summer!

Robin

School Lunch Fundraisers throughout the week

Huge thanks to all of our wonderful parents who ran our very popular school lunch fundraisers throughout the entire school year. The incredible home-made lunches were a gift to us all and we appreciate all the time and effort that went into

The 2006-07 school year has been loaded with incredible fundraisers to support our classrooms and staffing. The entire teaching and administrative staff thank everyone for working so hard to fund all of our programs. The list of names are too many to mention all who have been involved...What a wonderful community we have! Most recent thanks go to:

To Amanda Meyers and her crew for making our Apple Blossom Run another huge success! We had over 190 entries and great weather Thanks to all who were part of the 'crew' and for those who participated

Thank you to Tami Huntley, Lorraine Stern, Nan Madruga and all those who helped make our Book Fair such a fun and valuable experience. Not only does Linscott benefit financially, but we have the opportunity to fill our bookshelves with more reading material for students at home and in the classroom!

We love our Book Fairs!

Ed Gagne and all the parents and staff who volunteered to make Olympic Day such a wonderful event! Thanks to Karen Major for a wonderful BBQ to top it all off!

COFFEE EXPRESS CART!

Special thanks to Debbie Craig in the Preschool who oversaw our Childcare this year AND who worked hard in providing our much welcomed Coffee Express Cart. This was a huge success and helped tremendously in helping to fund our Childcare program.

Speaking of Childcare, we want to express our warmest thanks and appreciation for Lynn Sieraski who jumped in when we needed her most and took over the Childcare Coordinator position mid-year!

I am interested in forming a summer learning co-op geared toward 6, 7 & 8th Graders.

If a few parents would like to get together and take one day to teach a skill to the kids in their home,

I would be happy to share a day and hopefully get enough interested parents to fill a week.

If interested email sgarcia@davidlyng.com or call me at home at 728-4740 in the evening.
